THE HON'BLE SRI JUSTICE V.V.S. RAO

WRIT PETITION No.13299 of 2006

ORDER:

The petitioner purchased land admeasuring 400 sq. yards (plot No.28) in survey No.23 situated at Gachibowli Village, Lingampally Mandal in Ranga Reddy District under registered sale deed bearing document No.4891/1990 dated 18-04-1990 from respondents 3 and 4. He alleges that due to escalation of prices of land in Gachibowli, respondents 3 and 4 are taking steps to cancel the said sale deed. He also alleges that the sale deed executed by respondents 3 and 4 in favour of one D. Vijaya was cancelled unilaterally. Apprehending that his sale deed of 1990 might be cancelled by the respondents, the petitioner seeks a writ of Mandamus declaring the action of the Registering Authority in trying to register the cancellation deed as illegal and arbitrary.

This writ petition is filed on mere apprehension that the sale deed might be cancelled. When the petitioner has suspicion that his sale deed might be cancelled, nothing prevents him to raise objections before the Registering Authority at the time of registration. Further, a Full Bench of this Court in **Yanala Malleshwari v. Smt. Ananthula Sayamma**[1] has laid down that a writ petition seeking invalidation of a cancellation deed (cancelling earlier sale deed) is not maintainable and the person has to seek remedy by filing a suit in civil Court. In view of this, present writ petition cannot be entertained. The petitioner may raise his objections at the time of cancellation of sale deed or if the sale deed is already cancelled, he may file suit seeking appropriate declaration.

The writ petition is accordingly dismissed. No costs.
